Term 2 & hopefully Covid-19 have both come to an end!

This term has been an interesting and different term to normal, obviously with the impact of Covid-19 still lingering around. Unfortunately some of the Covid 19 restrictions prevented us as a House from partaking in several activities in our House, school and wider community. As the term progressed though and with restrictions being lifted gradually, we were all able to 'get out' more and participate in various activities that helped in bringing the Bosco House spirit alive again in our community. So on behalf of myself and all other Bosco House staff, we would really like to thank all of the students in the Bosco House for the way they have conducted themselves during these 'strange' times and it has been great to see many members of House showing a fantastic Bosco spirit toward one another.

Catholic Ed Week

During week 2 of the term 2 the whole school participated in the "Catholic Ed Launch Week". This was a fantastic initiative led by our care group teachers with the goal of getting our students to reflect and think about how they could contribute some 'Acts of Kindness' to someone else at school or in the wider community. Acts of kindness from our different care groups included: making a conscious decision to be nice to somebody new at school (B1), writing positive messages in chalk around the school (B2), letters of kindness to Hammil House (B3), Messages of love to grand parents (B4), checking in on our neighbours (B5) & donations for the women's shelter (B6).

Academic Award Winners from Term 1:

Early in the term, we were unable to have a whole school assembly due to Covid restrictions to recognise some of our Academic Award winners, but their efforts and achievements did not go unrecognised. Well done to the following students who received an Academic Award for their achievements in Term 1:

Year 7 – Eva Christensen-Lauder, Mitchell Court, Arquene Westdrop, Latrell Smith

Year 8 – Ella Clements, Lara Mellow, Adam Smith, Bridie Mead, Kloe Tyler

Year 9 – Amity Lane

Year 10 – Logan Crowkamp

Year 11 – Eva Ferme, Quinn Lane, Taylah Smale, Georgia Pryor, Trixie Stanley

Year 12 – Leah Finlay, Georgina Grossman, Lillian Keain, Harry Mead

PC Time

During Pastoral Care time and as restrictions lifted, our House was able to get out and mingle with one another on several different occasions. During this time students from various care groups participated in Uno contests, quiz competitions, arts and crafts activities and during week 7 we held our whole house Dodgeball Competition. This was tight contest until the very end with the eventual winner of the 'Cadbury Cup' being B2 (Miss Komljenovic) victorious and B6 (Ms Russack) very close behind taking out silver.
